Quels sont les différents types de tutelle ?

Plusieurs formes de *tutelles* peuvent être mises en place par le juge ; le choix opéré dépend de chaque cas, en fonction de la situation familiale, de la consistance du *patrimoine* et de l'état de santé du majeur protégé.

La *tutelle* complète

entraîne la constitution d'un *conseil de famille*, la nomination d'un *tuteur* et d'un

subrogé *tuteur.*

Le subrogé

juge des tutelles nomme les 4 à 6 membres

qui composent le *conseil de famille.*

Le conseil de famille préside

par le juge règle les

conditions générales de
