

Quels sont les différents types de tutelle ?

Plusieurs formes de *tutelles* peuvent être mises en place par le juge ; le choix opéré dépend de chaque cas, en fonction de la situation familiale, de la consistance du *patrimoine* et de l'état de santé du majeur protégé.

La *tutelle* complète

entraîne la
constitution d'un
conseil de famille
, la nomination
d'un
tuteur
et d'un

The image displays a large, bold, black lowercase letter 'a' in a serif font. Above the letter, there is a diagonal slash mark, also in black, pointing downwards and to the right. This combination of a letter and a slash is a common symbol used in legal contexts to denote a specific type of tutelle (guardianship).
